

DEDICATION

Polson, is a boutique commercial law firm, offering its' clients extensive experience and skills in the commercial, mining and financial fields of law. We are proud to establish, lasting professional relationships with our clients, associates and staff.

We believe in the application of legal principle, without fear or favour. We cherish our independence and transparent legal practice, when advising our South African and international clients.

ABOUT POLSON.

Our philosophy is to render a dedicated legal service to our clients, underpinned by extensive experience in resolving clients' problems dynamically.

Our firm believes in:

- Respect for the rights of the individual against the backdrop of the Constitution of the Republic of South Africa;
- Dedication to our duty as officers of the Court;
- The respect for our tradition as lawyers;
- The building of a South African commercial community by creating and upholding the legal matrix which affords every meritorial individual the opportunity of improving themselves by actively participating in the South African and international commercial markets;
- High standards of professionalism; and
- Ethical conduct, in all spheres of life,

The firm is growing from strength to strength, under the guidance and direction of Mr. John Roderick Graeme Polson. Our practitioners, have niche expertise in advising distressed financial institutions, banks, mines, corporates and commercial farmers. Our lawyers, are well-versed in all fields of litigation and dispute resolution, through mediation and arbitration in South Africa and abroad.

PRACTICE AREAS

INTERNATIONAL BUSINESS LAW

In an emerging economy, such as South Africa and the growing e-commerce market, the practice of international business law is becoming vital for economic integration and development. Polson provides, clients with sound advice on all legal aspects of conducting business within South Africa. We provide international clients, with access to a network of knowledgeable individuals who can advise on the commercial feasibility, to invest, integrate and conduct their business within the South African economy.

- Drafting of international agreements according to international conventions,
- Advice on miscellaneous agreements in respect of international business,
- Advice on financial and tax implication of the agreements,
- Advice on incoming (IFDI) and outgoing (OFDI) Foreign Direct Investment.

THE LAW OF CONTRACT

The law of contract is the foundation of any society and the nucleus of any legal system, since the earliest of times. South African law of contract is equally rooted in Roman Dutch Law. In South Africa, the law of contract has an evolution and history of over three hundred years. Our practitioners are well-skilled in drafting contracts and advising clients throughout the broad spectrum of contract law and alternative dispute resolution arising from contractual relationships.

- Commercial contracts drafted for various commercial purposes,
- Advice regarding the application of contracts in commerce and the identification of the implications of legal, financial and tax risk, affecting these contracts. (Abbreviated version: Legal, tax and financial risk applicable to contracts)

CYBERLAW AND E-COMMERCE:

Polson, advises on various aspects, relating to the conclusion of electronic agreements and the dangers prevalent in e-commerce, for example, the establishment of websites and it's indemnities, transactions concluded on social media, possible online defamation and the effective protection of personal information on the internet.

Due consideration must be had, to local and international legislation, such as the "POPI" Act (Protection of Personal Information Act no. 4 of 2013) and the "ECT" Act (The Electronic Communications and Transactions Act no. 25 of 2002) and the effect of cyber crimes thereon.

- Drafting of indemnities suitable for websites,
- Advice with regard to relevant legislation,
- E-commerce transactions,
- Prevention of cyber crimes,
- Crypto currencies,
- Distributed ledger technology.

CURATORSHIPS

Polson, possesses the necessary knowledge and expertise to advise curators of financial institutions, not only in relation to legal aspects emanating from curatorships, but also advises on legal compliance of these institutions in order to successfully assist in the finalization of these curatorships.

- Legal compliance,
- Assistance to curators.

EMPLOYEE BENEFITS AND PENSION FUND LAW

Polson, advises pension funds, their trustees and curators on;

- Various aspects, where relevant laws are applicable,
- Relevant laws applicable to the rights of employees and stakeholders, as well as, the regulations applicable to pension funds.

ENTREPRENEURSHIP HUB

Polson, views itself as an incubator for new entrepreneurs. Starting a new business can be a daunting experience in any business environment.

Polson, advises on numerous legal considerations from starting a new business to the managerial aspects thereof.

New entrepreneurs are advised in a "one-stop" service, on how to get their businesses operating without delay.

We also focus on international entrepreneurs with little knowledge of the South African, local content requirements, to assist these entrepreneurs and medium sized enterprises with their integration into a foreign market. We also advise on complicated, legal tax and business requirements peculiar to South Africa and a suitable level of commitment to the market, from trade to investment.

Our services include:

- Advice on setting up a new business;
- Registration of new companies;
- The various business entities may operate in;
- Drafting of business plans and business rescue plans;
